

Charna Radbell Foundation

The Gift of Sunshine Fund

PO Box 33 • Lawrence • NY • 11559 212.750.9890 • 516.239.4587

Dear Friend:

Over the past year the Charna Radbell Foundation has brought life-enhancing services to many cancer patients in the New York area. Your ongoing support is vital to the success of our programs as we continue to fulfill Charna's dream of bringing sunshine into the lives of those in need.

As an important member of the CRF Sunshine Fund family, you share in all that we have accomplished in 2005. This year, your dedication and generosity has allowed us to:

- Send children with cancer to special camps
- Fund research for lung cancer
- Promote national awareness for SIBs, a program that provides much needed support to the siblings of seriously ill children
- Provide compassionate hospice care for end-of-life cancer patients
- Support Hatzalah, a volunteer ambulance service available to everyone
- Educate people about the importance of early and regular pre-screening testing
- Provide respite for families in need

Remember, **all of this has been made possible as a direct result of your financial support.** Your partnership enables us to achieve our vital mission: *to enhance the lives of patients and their families who are dealing with the challenges and difficulties of routine treatments and hospitalization.*

In 2006, our goal is to establish a free, unique program in New York City that provides a support system for siblings that are living with a brother or sister diagnosed with cancer or other life-threatening illnesses. Having personally experienced the devastating effects of such illnesses on the entire family, it would certainly be a wonderful way to honor Charna's legacy by creating this haven, "Charna's Place."

Please join us in bringing sunshine to these patients by renewing your commitment to our mission. Your generosity and support play a pivotal role in allowing us to provide our resources to so many families who benefit from the programs we sponsor. Keeping Charna's vision alive is the best gift this holiday season that you could give all our patients. And, of course, as a 501(c)3 nonprofit organization, all contributions are tax deductible.

We wish you and your family happy and healthy holidays.

With gratitude and warm regards

Arlene and Larry Radbell
